

Sonshine Fundraising Insurance

Feel like you're bombarded with fundraising programs from your kids, soccer teams, neighbors, etc? Tired of feeling like someone is always asking you to buy something you don't really want? Feel guilty because you can't always buy what they're selling? Wonder just how much of your donation actually gets into the program you think you're supporting?

Then Sonshine has a program for you: **Fundraising Insurance!**

The great thing about Fundraising Insurance is that you write one check now and know that you've supported your child's preschool! And 100% of your donation goes directly to Sonshine. Then, later, you can choose to participate in other opportunities if and when you want to.

Participating in the Fundraising Insurance program gives you the great feeling that you've contributed to the fun and educational activities that the children will experience this year! And then there is no guilty feeling when you don't participate in other fundraisers.

It is simple, fast, and 100% tax-deductible!
